

Morning all, and welcome to the first full month of the Summer Holidays!! 5 weeks of nothing but relaxation, reading and rumbles in the garden. At My Bluewater Tutor we are eagerly awaiting the arrival of Sam's yet-unnamed puppy – adorable pictures to follow. What are you most looking forward to? Reply to this email and let us know!

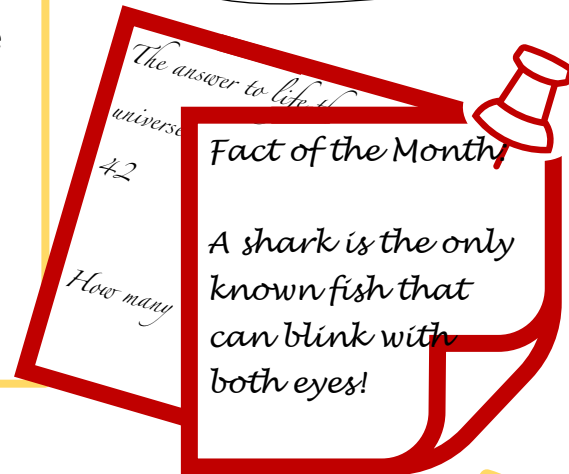

### Star of the Month!

Is ELLEN! Ellen has been working super hard during lockdown to stay on top of her inference skills – something that is really shown in her writing. Well done Ellen!!

## Our Upcoming Events for September:

September is the start of the new school year and hence the perfect time to book in a Parent's Meeting. Parent's Meetings are a great opportunity to touch base and to make sure your child is getting the most out of our service. We like to touch base with you at least once every term so send us a message to get one booked in today!

With the lifting of lockdown we will soon be back doing workshops in schools so let us know if you would like us to visit yours!

### Fact of the Month

A shark is the only known fish that can blink with both eyes!

### Study Tip:

When there's a lot to study, it can help to break things into chunks. Let's say you have a test on 20 spelling words.

Instead of thinking about all of the words at once, try breaking them down into five-word chunks and working on one or two different chunks each night.

## EXCITING NEWS!!

There are some exciting happenings at HQ next month starting with the launch of our brand-new snazzy website! The new website will have some super cool features that we won't spoil for you yet but keep your eyes peeled for an upcoming-sneak peek!

We are recruiting Tutoring Assistants. If you know someone who would be a great TA – tell them to get in touch!

## For our Year 6 and Year 11 leavers:

### The Prize

You're graduating;  
You worked, you've done it!  
This important prize,  
It's yours; you've won it!

Just keep on  
To capture more.  
Spread your wings:  
You're going to soar!
