## Our Upcoming Events for Halloween

We are super excited to announce our FIRST EVER Halloween-themed lesson! From the week commencing 25<sup>th</sup> October we would love to see you all attend your lessons, both online and in person, in your best Halloween costume! Whether you make a great scary skeleton or a perfect princess we want to see them all. The winner will be featured in our next newsletter and win a goody bag filled with Halloween chocolates!

## Come and visit us!

With the lifting of lockdown our centres are well and truly back in action!

As well as our Tuition and Play session at Mad Play, Greenhithe we also have classes starting at the Legion Social Club on Mondays.

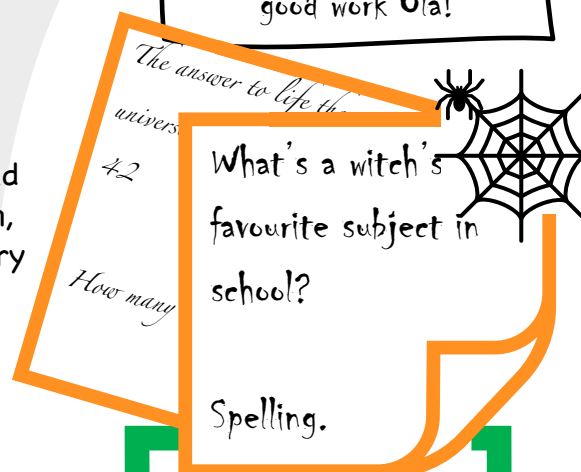

Drop by the centre or give us a call and we can arrange a free session for you to be taught by one of our amazing tutors, in person!
